AT UTAH'S MOST UNIQUE VENUE

Have you ever thought about what a 300,000 gallon habitat filled with sharks, sea turtles, stingrays, and reef fish, would look like as a backdrop for your event? How about an iconic 165-foot mega-structure that toured with U2 as the central gathering point for your guests?

Loveland Living Planet Aquarium is Utah's most distinctive and extraordinary event venue destination, offering experiences that will take your event to the next level. Our flexible venue spaces bring to life many different types of events no matter the size; whether a 20 person all-day training or a 7,000 person summer evening party. Loveland Living Planet Aquarium offers an undeniably unique opportunity for you and your guests to explore, discover, and enjoy a successful event.

# UNIQUE SPACES

## OCEANS & ISLANDS BALLROOM

With close to 6,000 square feet of combined interior space and access to a 5,000 square foot patio, the Oceans and Islands Ballroom is our premier Aquarium venue space for larger gatherings. Our 300,000 gallon shark habitat provides a mesmerizing living backdrop to your event, complete with sharks, stingrays, and colorful reef fish, to further entertain while your guests sip carefully crafted cocktails and enjoy delectable dishes.

## OCEANS BALLROOM

The larger section of the Oceans and Islands Ballroom is our 4,200 square foot Oceans Ballroom. Aptly named as it takes guests deep within the ocean depths. Swimming alongside the sharks are stingrays, sea turtles, and reef fish, bringing them face to face with some of our oceans' interesting animals. This look into ocean life creates an undeniably picturesque setting that will leave your guests amazed.

## ISLANDS ROOM

The smaller section of the Oceans and Island Ballroom, Islands Ballroom is 1,300 square feet offering an ideal space for more intimate gatherings or focused business meetings. Flanked by a wall with multiple windows and a door leading out to the patio, guests will have plenty of southern light during the day and a bright and colorful light show at night. When guests step out onto the 5,000 square foot patio, they will be greeted by our 165' mega-structure, EECO. EECO (Ecosystem Exploration Craft and Observatory) has toured around the world with U2 and now stands as a landmark for exploration, discovery, and learning.

# EXTRAORDINARY SPACES

## MAIN STAGE

Standing in the center of Rio Tinto Kennecott Plaza, your guests will be amazed as they find themselves looking up and knowing they're under Utah's newest landmark, EECO. Situated on an elevated 70 foot wide circular pad, our Main Stage overlooks the expanse of the plaza and provides a 360° view of the Salt Lake Valley. During the evening, your guests will be treated to spectacular Utah sunsets and will be able to enjoy tailored lighting selections with a wide range of color and intensity to match your company's brand, the mood you're wanting for the event, or a specific design you're envisioning.

## WEST LAWN

Our largest stand-alone event space anchors the west side of the Rio Tinto Kennecott Plaza. The West Lawn is expertly manicured and is the perfect place for hosting massive seated dinners, company picnics, and even festivals. Your event will have a breathtaking backdrop complete with EECO framed by the majestic Rocky Mountains. Guests will surely take advantage of this photo worthy space.

## AMPHITHEATER

Combining our Main Stage and West Lawn, the Amphitheater is ready for massive concerts and shows. It can also handle showstopping product launches, showcases, and many other event types boasting enough space for up to 7,000 guests. Guests will receive the best of both worlds viewing EECO towering over the Main Stage and the mountain vistas of the West Lawn, all while enjoying our full suite of customizable lighting and sound.

## MULTI-USE SPACE

An outdoor alternative to our interior ballrooms, the Multi-Use Space is the perfect mid-sized location for many different types of events. The Multi-Use Space was designed to be a blank canvas with its perfectly paved surface ready for tenting, dancing under the night sky, or any other elements you can imagine. With enough space for up to 450 people, there will be plenty of room for imagination and exploration for you and your guests.

## GROVE

The southwest corner of the Rio Tinto Kennecott Plaza is ready for you to add a culinary twist to your events. Featuring four fully outfitted food truck pads, guests will have plenty of options to choose from with the food trucks available in Salt Lake. The pads also offer the opportunity to set up outdoor kitchens to showcase action stations or beautiful displays. The Grove is perfect as a VIP lounge or outdoor bar with access to a dual fire pit gathering space and ample room for additional seating.

## GROTTO

Our most intimate outdoor space is nestled in a shaded area of the Rio Tinto Kennecott Plaza between the Aquarium and the Main Stage. Built-in seating for 14 guests surround a fire pit creating a cozy atmosphere. The Grotto is the perfect location for a VIP dinner, a small gathering of friends, or even a pop-up restaurant. The space has the ability to accommodate up to 20 guests and will surely make your guests feel special in the uniquely designed space.

# ICON CULINARY & SUSTAINABILITY

Icon Culinary and Executive Chef Dave Prows bring to your tables over 40 years of customized catering and events experience. You and your guests will be cared for by a knowledgeable and detail oriented staff who will craft menus to meet your every want and need. Quality and outstanding customer service are pillars of ICON's standard and you and your guests will be treated like one of the family.

## SUSTAINABILITY

Icon Culinary and LLPA focus on providing sustainably sourced food. One of these sources are aeroponic grow towers which provide greens to our Reef Cafe as well as all catered events. Additionally, we source sustainable seafood, limit waste, and utilize reusable or recyclable plating options whenever possible. These are small but meaningful steps towards preserving our ecosystems and combating climate change.

# EXCITING EXTRAS

We have several opportunities to take your event one step further. If you envision your event to be family centric, add Tuki's Island to your rental. It is a great way to let kids explore the play center as they slide, climb, and make their way through an exciting obstacle course. You can also add the 4D theatre and take in one of our popular showings or you can bring your own. Have our events team design a scavenger hunt for your guests to break the ice or get them up and out of their seats after a day-long meeting. You can even provide your guests the unforgettable experience of an upclose interaction with some of our favorite residents during a group animal encounter.
